

## Beach Handball

More and more people all over Europe and the rest of the world are taking up Beach Handball nowadays. The University of Cyprus ensures that the conditions are ideal for a round-the-year promotion of the sport at its top-notch facilities at the University Campus.

Teams from the entire University of Cyprus community may take part in the Championships.

A complete record of the participating teams will be announced as soon as all the teams are registered.

Games will be judged by Cyprus Handball Federation (CHF) referees.

The championship-winning team will be presented with a winners' Cup while all athletes of the top three teams will receive medals.
