

## Tennis

Tennis is one of the most popular sports in the world. Through the Tennis Agenda, the University of Cyprus presents rookie students with the chance to go in for sport. Some of them will have the chance to join the University of Cyprus' team, which participates in the Cyprus Tennis Federation Championships. Training will be held at the University of Cyprus' sports facilities at the University Campus. A highly qualified and experienced trainer will be responsible for training.

Internal Championships will be held at the University Campus courts.

Teams from the entire University of Cyprus community may take part in the Championships.

The way the league is formed, depends on the total number of participating teams.
