QS WOLRD UNIVERSITY SUBJECT RANKINGS 2017

UCY has been ranked in #151-200 in education & training

The University of Cyprus (UCY) announces that it has featured in the *2017 Quacquarelli Symonds (QS) World University Subject Rankings*, being placed in 151-200 in education and training.

The QS World University Rankings by subject is an annual league table that ranks the world's top universities in individual subjects areas, covering 46 subjects as of 2017. The Rankings aim to help prospective and current students identify the world's leading schools in their chosen field, while being widely used by university professionals, governments and other education stakeholders worldwide. Each of the subject ranking is compiled using four sources: academic reputation, employer reputation, research citations per paper and H-index. This year QS has evaluated more than 4,000 universities, qualified 3,098, ranked 1,117 institutions in total and analyzed over 127 million citations.
