POSTGRADUATE PROGRAMME PLACES FOR THE ACADEMIC YEAR 2020-2021

The University of Cyprus announces that it will be accepting applications for the following postgraduate programmes beginning in **January 2021**, by **Monday, 2nd of November 2020 until 12 noon.**

1. DEPARTMENT OF ACCOUNTING AND FINANCE

Nine (9) places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- 6 places at the **Master's** level in **Finance**
- 3 places at the **PhD** level in **Finance**

For further information, please contact the Department's Secretary:

Tel: 22 893641, 22 893605, Fax: 22 895475

2. DEPARTMENT OF ARCHITECTURE

Nine (9) places for the postgraduate programmes leading to a Master (M.Sc & M.Eng) and a PhD degree are distributed as follows:

- Six (6) places at the PhD level for the postgraduate programme in Architecture*

The specializations of the programme are in the following areas:

- Architectural History and Theory
 - Architectural Design and Theory
 - Digital Communication Media
 - Architectural Technology
 - Urban Design
 - Energy and Environmental Design
- Three (3) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (M.Sc & M.Eng.) level in "**Energy Technologies and Sustainable Design**".

*The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (M.A. or M.Sc.) in a domain of Philosophy, Social Science, Fine Arts, Applied Arts, Civil Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

Candidates for the master programmes must hold a university degree in a relevant science or engineering from the University of Cyprus or other accredited university in Cyprus or abroad.

**Applications are evaluated by the Committee of the Postgraduate Program, which proposes recommendations to the Councils of the respective departments, which are responsible for the final approval of students admitted.

For further information, please contact the Secretary of the Department:

Tel: 22 892980, Fax: 22 895056, e-mail: Architecture@ucy.ac.cy, Departments Website: www.ucy.ac.cy/arch/en/

3. DEPARTMENT OF BIOLOGICAL SCIENCES

Eight (8) positions are available for the postgraduate programme which leads to obtaining a Master's or a *Ph.D.* degree as follows:

- 5 positions at the **Master's level**
- 3 positions at the ***Ph.D.* level**

The postgraduate programmes of the Department of Biological Sciences are offered only in the English language.

Master Programmes (M.Sc.):

- **Master's level in Molecular Biology and Biomedicine**
- **Master's level in Biomedical Sciences**
- **Master's level in Biodiversity and Ecology**

Ph.D. Programmes:

- ***Ph.D.* level in Biomedical Sciences**
- ***Ph.D.* level in Biodiversity and Ecology**

M.Sc. and *Ph.D.* degrees in Biomedical Sciences, as well as the *Ph.D.* in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the *M.Sc.* in Molecular Biology and Biomedicine does not involve laboratory-based research. The *M.Sc.* in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process, in order to discuss the possibility of securing a laboratory position for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

Candidates who meet the necessary qualifications will be called for an interview.

For further information please contact the Department's Secretary:

Ms. Anna Christou

Tel.: +357 22 892894, Email annac@ucy.ac.cy

Further information on the Department's research activities can be obtained at the Department's website <http://www.ucy.ac.cy/biol/en/>

4. DEPARTMENT OF BUSINESS AND PUBLIC ADMINISTRATION

Four (4) places are available in the postgraduate programmes which leads to obtaining a PhD degree. The places are distributed as follows:

(a) Four (4) places at the PhD level for the postgraduate programme in **Business Administration** which are distributed as follows:

- 2 positions in the **PhD** programme in **Business Administration (in Greek)**
- 2 positions in the **PhD** programme in **Business Administration (in English)**

Applications from candidates interested in the following fields of study will be considered:

- Management
- Marketing
- Operations Management / Management Science
- Management Information Systems

For entry to the PhD Programme, applicants must hold a Master's Degree from an accredited university in a related subject.

Applications must include:

1. A preliminary research proposal (up to 1500 words) that describes the candidate's proposed research topic. Specifically, the proposal should include outlines of:
 - The research questions and their significance
 - The proposed research methodology to address the research questions
 - The key literature on the research topic
 - A timetable for completing the PhD
2. Proof of very good knowledge of the English language (test results and/or certificates obtained). This is not necessary for applicants who received their degrees for programmes taught in English.
3. Three (3) reference letters from University professors familiar with the candidate and his/her academic performance.

Note: It is recommended that before candidates apply for the programme, they explore the research interests of the resident faculty along with their own and possible communicate with them for a preliminary discussion. For more information please visit our web page: www.ucy.ac.cy/bpa

5. DEPARTMENT OF BYZANTINE AND MODERN GREEK STUDIES

Fourteen (14) places are available in the postgraduate programme in **Modern Greek Philology**, which are distributed as follows:

- 10 places at the **Master's** level
- 4 places at the **PhD** level

For further information, please contact the Department's Secretary

Tel: 22 893870, 22 893880 Fax: 22 894490

5. DEPARTMENT OF BYZANTINE AND MODERN GREEK STUDIES AND DEPARTMENT OF HISTORY AND ARCHAEOLOGY

Twenty one (21) places for the **Interdepartmental postgraduate programme of Byzantine Studies and the Latin East**, which are distributed as follows:

- 15 places at the **Master's** level
- 6 places at the **PhD** level

Important information: It should be noted that the candidates are expected to submit their application to the department that is relevant to their research interests: the Department of Byzantine and Modern Greek Studies for the philological domain and the Department of History and Archaeology for the historical and archaeological domains.

For further information, please contact the Department's Secretaries:

7. DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING

Sixty four (**64**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Thirty (**30**) places for the postgraduate programme of **Civil Engineering** are distributed as follows:

- Twenty five (**25**) places are available at the **Master's** level in **Civil Engineering (MSc, MEng)** divided by five positions in the following disciplines:

Specifically, are offered two places of doctorate in the laboratory of Environmental Biotechnology with head the Dr Argyro Tsipa on issues bioprocess of industrial waste for production and recuperation useful to the person products.

- **Earthquake Engineering (5 places)**
- **Structural Analysis (5 places)**
- **Novel and Traditional Building Materials (5 places)**
- **Geotechnical Engineering (5 places)**
- **Construction and Transport Infrastructure Management (5 places)**

- Five (**5**) places are available at the **PhD** level in **Civil Engineering**.

(b) Twenty five (**25**) places for the postgraduate programme of **Environmental Engineering** are distributed as follows:

- Twenty (**20**) places are available at the **Master's** level in **Environmental Engineering (MSc, MEng)**
- Five (**5**) places are available at the **PhD** level in **Environmental Engineering**

* Applications are evaluated by the Committee of the Postgraduate Program, which proposes recommendations to the Councils of the respective departments, which are responsible for the final approval of students admitted.

(c) Nine (9) places for the Joint Postgraduate Programme of the Faculty of Engineering at **Master (M.Sc & M.Eng)** level in "**Energy Technologies and Sustainable Design**" which are distributed as follows:

- Nine (9) places at the **Master's** level in **Energy Technologies and Sustainable Design**

For further information, please contact the Department's Secretary:

Tel: 22 892200, Fax: 22 895080

9. DEPARTMENT OF COMPUTER SCIENCE

Twenty three (**23**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

Master Programmes:

- Ten (**10**) places for the **Master's programme in Computer Science (MCS)**. The course is designed primarily for Computer Science and other science-related graduates who seek to develop research skills and enhance their knowledge in advanced areas of Computer Science. Students who attend this program may pursue a PhD degree after their graduation.
- Ten (**10**) places for the **Professional Master's programme in Advanced Information Technologies (PM)**. The aim of the Professional Master in Advanced Information Technologies is to help Information Technology Professionals to extend and update their knowledge in Advanced Computer Technologies and to acquire up-to-date know-how in subjects related to the national Information Technology industry like Software Engineering, the Internet and Intelligent Systems.

PhD Programmes:

- Three (**3**) places are available at the **PhD level**. The main research interests of the Department's staff are: Artificial Intelligence, Computer Architecture, Computers Networks, Databases, Digital Signal and Image Processing, Distributed and Parallel Computing, Graphics and Virtual Reality, Grid Computing, Internet Technologies, Mobile Computing, Multimedia, Software Engineering, Theoretical Computer Science.

Further information for the Department's research activities can be obtained from the Department's website www.cs.ucy.ac.cy.

The minimum qualifications required in order to apply, are a recognized University Degree in Computer Science or in a related field from an accredited Institution with an overall grade of "Very Good." The selection process will consider the academic standing and achievement of the candidate, especially for the courses related to Computer Science, reference letters, and any professional or personal interview should this be deemed necessary.

SCHOLARSHIP FOR THE PhD PROGRAMME:

(a) The KIOS Research and Innovation Center of Excellence (CoE) calls for applications for fifteen (15) full-time PhD scholarships. These scholarships are addressed only to new applicants for admission in January 2021.

The successful applicants will be enrolled in either the **Electrical Engineering** or the **Computer Engineering** PhD programme of the Department of Electrical and Computer Engineering and they will conduct their research at the facilities of the KIOS CoE in one or more thematic areas of the Center.

Each scholarship will be for one year and may be renewed annually, based on performance, for 3-5 years. It includes the University tuition fees and a monthly stipend between €1000-€1700 depending on the candidate's qualifications and expertise.

For additional information please visit <http://www.kios.ucy.ac.cy/index.php/employment-opportunities.html>

12. DEPARTMENT OF ENGLISH STUDIES

Six (6) places are available for postgraduate programmes which lead to obtaining a PhD degree. The places are distributed as follows:

(a) **Four (4) places** for the PhD programme in **English Literature and Comparative Cultural Studies**. Candidates are advised to consult the specific research interests of the programme faculty in their respective research pages <http://www.ucy.ac.cy/eng/en/staff/academic>

(b) **Two (2) places** for the PhD programme in Linguistics. The positions are announced for the area of **Applied Linguistics/Teaching English to Speakers of Other Languages (TESOL)** and, more specifically, for the following research areas:

- First and second language acquisition
- Bilingualism, multilingualism, heritage language
- Sociolinguistics, family language policy
- Methodology in TESOL, teaching and education

Applicants are strongly encouraged to contact the potential supervisor in the above research areas, Dr. Sviatlana Karpava (karpava.sviatlana@ucy.ac.cy).

Candidates for the PhD Programmes of the Department must hold a Master's degree in a discipline related to their proposed area of research. They are also expected to have a high level of competence in spoken and written English.

Applications for the PhD Programmes must include a Copy of the applicant's MA Thesis and two recommendation letters from academic faculty. **The applications and all documents must be submitted in English.**

15. DEPARTMENT OF MECHANICAL AND MANUFACTURING ENGINEERING

Twenty (20) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Ten (10) places for the Postgraduate Programme in Mechanical and Manufacturing Engineering:

- Four (4) places at a **MSc** level in **Mechanical and Manufacturing Engineering**
- Six (6) places at a **PhD** level in **Mechanical and Manufacturing Engineering**

Research Areas

- Biomedical Engineering
- Computational Mechanics of Solid and Fluids
- Design, Manufacturing, Automation and Robotics
- Energy Systems
- Mechanical Systems Modelling and Controls
- Micro- and Nano-Technology

(b) Ten (5) places for the postgraduate Programme in Materials Science and Technology

- Three (3) places at a **MSc in Advanced Materials and Nanotechnology**
- Two (2) places at a **PhD level in Advanced Materials and Nanotechnology**

(c) Ten (5) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (**M.Eng, MSc**) level in "**Energy Technologies and Sustainable Design**" which are distributed as follows:

- Ten (5) places at the **Master's** level

An one-year scholarships (3500 Euros) will be offered to the best full-time candidate admitted in the postgraduate Ph.D. programme based on academic merit (depending on availability of funds). If you are interested to be considered for the scholarship you should state it at Step 11 of the application.

You should also state, on this section whether you are interested in working as a Teaching Assistant during the first year of your graduate study.

Fifteen (**15**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- **9** places at the **Master's** level
- **6** places at the **PhD** level

The research interests of the Departmental staff are:

- Gravitation and Cosmology
- Theoretical and Experimental Nuclear Physics
- Theoretical and Experimental High Energy Particle Physics
- Photonics, Lasers and Optoelectronics
- Theoretical and Experimental Condensed Matter Physics
- Theoretical and Computational Biophysics

For further information, please contact the Department's Secretary:

Tel: 22 892820 Fax: 22 892821, email: toulla@ucy.ac.cy

17. DEPARTMENT OF SOCIAL AND POLITICAL SCIENCES

Ten (**10**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

Master's Programs:

- **6** places at the **Master's** level in **Political Science** (places in **European Politics**)
- **1** place at the **Master's** level in **Political Science** (place in **International Relations**)

PhD Programs:

- 2 places at the **PhD** level in **Sociology**
- 1 place at the **PhD** level in **Political Science**

The candidates for the PhD should look at the specific research interests of the teaching staff in the following link: <http://www.ucy.ac.cy/sap/en/staff/academic>

They should also prepare their application according to the specific requirements found in the following link: <http://www.ucy.ac.cy/sap/en/academicprogramms/doctoral-programme>

They should contact directly a member of the faculty with whom they have similar research interests for initial guidance regarding the PhD proposal. The thesis can be written either in Greek or in English or any other international language with the prior approval of the Research Advisor.

Selection Criteria:

- (1) Academic excellence
- (2) Originality of research proposal
- (3) Capability of member of academic staff to supervise the proposal
