

Konstantinos Voskarides, PhD

Email: kvoskar@ucy.ac.cy

Tel: 00 357 22 895219

- 1998-2002 BSc Biology, Aristotle University of Thessaloniki (AUTH)
- 2003-2007 PhD Molecular Biology, University of Cyprus (UCY)
- 2008-2009 Special Scientist, Cyprus University of Technology (CUT)
- 2010 Visitor lecturer (autumn semester), Cyprus University of Technology (CUT)
- 2008-2015 Biobank Coordinator, Genetics project leader, Molecular Medicine Research Center (UCY)
- 2015-Present Special Teaching Staff, Medical School, University of Cyprus (UCY)

Research Topics:

- Familial renal diseases
- Modifier genes and glomerulopathies
- Evolutionary Medicine
- Evolutionary biology of cancer
- Genomic and phenotypic plasticity
