

Presentation of the Final Research Proposal before the three member Advisory Committee

- According to the Regulations of the University of Cyprus, each postgraduate student (PhD level) must present his/her Research Proposal in front of the three members Advisory Committee.
- The student is required to submit to the members of the Advisory Committee (at least one week before the presentation) a thesis proposal of up to 3,000 words before the end of the 7th semester. This proposal should be accompanied by an abstract of around 300 words. The thesis proposal should consist of:
 1. The research issues.
 2. The methods employed and the expected results.
 3. The thesis' contribution to the theoretical aspect of the field.
 4. A detailed chapter-by-chapter outline of the thesis' structure, with summaries of the individual chapters.
