

Handball

Handball is one of the most popular team sports in Europe. Through the Handball Agenda, the University of Cyprus presents rookie students with the chance to get to know the sport. Some of them will have the chance to join the University of Cyprus' team, which participates in the Cyprus Handball Federation Championships.

From July 2008 onwards, training will carry on exclusively at the University of Cyprus Sports Center. delete

Men's and women's internal Championships will be held at the Campus Handball courts.

Teams from the entire University of Cyprus community may take part in the Championships.

No athlete who registers to join one team can join another team in the same league, even if their initial team withdraws from the League.
