POSTGRADUATE PROGRAMME PLACES FOR THE ACADEMIC YEAR 2019-2020

The University of Cyprus announces that it will be accepting applications for the following postgraduate programmes beginning in **September 2019**, by **Wednesday, 3th of April 2019 until 12 noon.**

1. DEPARTMENT OF ACCOUNTING AND FINANCE

Fifty (**50**) places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- **25** places at the **Master's** level in **Finance**
- **15** places at the **Master's** level in **Financial Economics (English Language)**
- **10** places at the **PhD** level in **Finance**

For further information, please contact the Department's Secretary:

Tel: 22 893636, 22 893605, Fax: 22 895475

2. DEPARTMENT OF ARCHITECTURE

Twenty four (**24**) places for the postgraduate programmes leading to a Master (M.Sc & M.Eng) and a PhD degree are distributed as follows:

- Nine (**9**) places at the PhD level for the postgraduate programme in Architecture*

The specializations of the programme are in the following areas:

- Architectural History and Theory
 - Architectural Design and Theory
 - Digital Communication Media
 - Architectural Technology
 - Urban Design
 - Energy and Environmental Design
- Ten (**10**) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (M.Sc & M.Eng) level in "**Energy Technologies and Sustainable Design**".
 - Five (**5**) places for the Interdepartmental MSc postgraduate programme in "**Conservation and Restoration of Historic Buildings and Sites**". **

*The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (M.A. or M.Sc.) in a domain of Philosophy, Social Science, Fine Arts, Applied Arts, Civil

Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

Candidates for the master programmes must hold a university degree in a relevant science or engineering from the University of Cyprus or other accredited university in Cyprus or abroad.

**Applications are evaluated by the Committee of the Postgraduate Program, which proposes recommendations to the Councils of the respective departments, which are responsible for the final approval of students admitted.

For further information, please contact the Secretary of the Department:

Tel: 22 892980, Fax: 22 895056, e-mail: Architecture@ucy.ac.cy, Departments Website: www.ucy.ac.cy/arch/en/

3. DEPARTMENT OF BIOLOGICAL SCIENCES

Thirty (30) positions are available for the postgraduate programme which leads to obtaining a Master's or a *Ph.D.* degree as follows:

- 20 positions at the **Master's level**
- 10 positions at the ***Ph.D.* level**

The postgraduate programmes of the Department of Biological Sciences are offered only in the English language.

Master Programmes (*M.Sc.*):

- **Master's level in Molecular Biology and Biomedicine**
- **Master's level in Biomedical Sciences**
- **Master's level in Biodiversity and Ecology**

***Ph.D.* Programmes:**

- ***Ph.D.* level in Biomedical Sciences**
- ***Ph.D.* level in Biodiversity and Ecology**

M.Sc. and *Ph.D.* degrees in Biomedical Sciences, as well as the *Ph.D.* in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the *M.Sc.* in Molecular Biology and Biomedicine does not involve laboratory-based research. The *M.Sc.* in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process, in order to discuss the possibility of securing a laboratory position for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

Candidates who meet the necessary qualifications will be called for an interview.

For further information please contact the Department's Secretary:

Ms. Anna Christou

Tel.: +357 22 892894, Email annac@ucy.ac.cy

Further information on the Department's research activities can be obtained at the Department's website <http://www.ucy.ac.cy/biol/en/>

4. DEPARTMENT OF BUSINESS AND PUBLIC ADMINISTRATION

Thirty One (31) places are available in the postgraduate programmes which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- 3 positions in the **PhD** programme in **Business Administration (in English)**

Applications from candidates interested in the following fields of study will be considered:

- Management
- Marketing
- Operations Management / Management Science
- Management Information Systems

For entry to the PhD Programme, applicants must hold a Master's Degree from an accredited university in a related subject.

Applications must include:

1. A preliminary research proposal (up to 1500 words) that describes the candidate's proposed research topic. Specifically, the proposal should include outlines of:
 - The research questions and their significance
 - The proposed research methodology to address the research questions
 - The key literature on the research topic
 - A timetable for completing the PhD
2. Proof of very good knowledge of the English language (test results and/or certificates obtained). This is not necessary for applicants who received their degrees for programmes taught in English.
3. Three (3) reference letters from University professors familiar with the candidate and his/her academic performance.

Note: It is recommended that before candidates apply for the programme, they explore the research interests of the resident faculty along with their own and possible communicate with them for a preliminary discussion. For more information please visit our web page: www.ucy.ac.cy/bpa

(b) Twenty Five (25) places for the **Master's degree program in Human Resource Management (HRM)**.

The Postgraduate Program in Human Resource Management is designed in such a way as to provide students with knowledge about the management of people and groups in organizations. Its main purpose is

to provide students with a constructive learning environment through which to understand the value and contribution of Human Resource Management to the welfare of organizations. The main feature identifying this program is the dual focus on both the theory and the practice of human resources management. Based on the above, students will gain a strong background either to pursue their PhD studies in this field or to become successful Human Resource Management professionals in various organizational settings.

SCHOLARSHIP FOR THE PhD PROGRAMME:

(a) The Department of Electrical and Computer Engineering calls for applications for three (3) PhD scholarships for its Ph.D. programmes. These scholarships are addressed only to new applicants for admission in September 2019.

These scholarships will be granted for four years, depending on the performance of the Candidate PhD student, who will be evaluated by the Department Council, and subject to the approval of the necessary funds in the university budget for the following years. Successful applicants will not be allowed to work, within or outside the University, during the period of the Scholarship. Also, the PhD students will be assigned Teaching Assistant duties or administrative duties at the Department (–the equivalent of four hours of work per week during the Fall and Spring semesters).

Applicants must prepare their research proposal after consulting the website of the Department <http://www.ucy.ac.cy/sap/en/academicprogramms/doctoral-programme> and after examining the faculty’s research interests. They should contact directly a member of the faculty with whom they have similar research interests for initial guidance regarding the PhD proposal. The thesis can be written either in Greek or in English or any other international language with the prior approval of the Research Advisor.

Selection Criteria:

- (1) Academic excellence
- (2) Originality of research proposal
- (3) Capability of member of academic staff to supervise the proposal

Submission of Application:

Applicants must submit electronically their application for the PhD programmes of the department at http://ucy.ac.cy/postgraduate_appl_en .

(b) The KIOS Research and Innovation Center of Excellence (CoE) calls for applications for fifteen (15) full-time PhD scholarships. These scholarships are addressed only to new applicants for admission in September 2019.

The successful applicants will be enrolled in either the **Electrical Engineering** or the **Computer Engineering** PhD programme of the Electrical and Computer Engineering Department and they will conduct their research at the facilities of the KIOS CoE in one or more thematic areas of the Center.

Each scholarship will be for one year and may be renewed annually, based on performance, for 3-5 years. It includes the University tuition fees and a monthly stipend between €1000-€1700 depending on the candidate's qualifications and expertise.

For additional information please visit <http://www.kios.ucy.ac.cy/index.php/employment-opportunities.html>

SCHOLARSHIP FOR THE MSc PROGRAMME in INTELLIGENT CRITICAL INFRASTRUCTURE SYSTEMS:

The KIOS Research and Innovation Center of Excellence (CoE) calls for applications for five (5) scholarships for the **MSc programme in Intelligent Critical Infrastructure Systems** offered by the Department of Electrical and Computer Engineering. These scholarships are addressed only to new applicants for admission in September 2019.

Each scholarship will be for one year and may be renewed annually, based on performance. The scholarship funds 50% of the University tuition fees for the MSc programme.

For additional information please contact: tel. 22 893459, e-mail: mccis@ucy.ac.cy.

13. DEPARTMENT OF ENGLISH STUDIES

Five (5) places are available for the postgraduate programme which leads to obtaining a PhD degree. The places are distributed as follows:

PhD Programmes:

(a) Three (3) places at the PhD level in English Literature and Comparative Cultural Studies which leads to a PhD degree in the above mentioned area. Candidates are advised to consult the specific research interests of the programme faculty in their respective research pages <http://www.ucy.ac.cy/eng/en/staff/academic>

(b) Two (2) places at the PhD level in Linguistics which leads to a PhD degree. Applicants are strongly encouraged to contact the potential supervisor in the following research areas.

Potential supervisor Professor Phoevos Panagiotidis (two places):

- Comparative grammar
- Theoretical syntax, theoretical morphology
- Grammatical variation and/or language contact

Candidates for PhD Programmes must hold a Master's degree in a discipline related to their proposed area of research. They are also expected to have a high level of competence in spoken and written English.

Applications for the PhD Programme must include a Copy of MA Thesis and two recommendation letters from academic faculty. The applications and all documents must be submitted in English.

For further information, please contact the Department's secretary:

Tel.: 22 892101, 22892102, Fax: 22 895067
