

**DEPARTMENT OF MATHEMATICS & STATISTICS
POST-DOCTORAL RESEARCHER**

Title	: Post-Doctoral Researcher
No. of Position(s)	: One (1)
Category	: 6 month contract
Location	: University of Cyprus, Nicosia

The Department of Mathematics & Statistics announces one full time (140 hours/month) Post-Doctoral position for the research programme **Regularity in Free Boundary Problems**, funded by the Internal Research Grants of the University of Cyprus. The Principal Investigator of the programme is Dr. Emmanouil Milakis.

DUTIES AND RESPONSIBILITIES

The successful candidate is expected to conduct research in the field of Partial Differential Equations, Nonlinear Analysis and Free Boundary Problems. The successful candidate will have the following duties and responsibilities:

- Collaboration and support of the team towards the implementation of research objectives.
- Work together with the PI and other members to prepare research publications to be submitted in peer-review academic journals.
- Contribution to the dissemination of results and in educational activities (seminars etc.).

QUALIFICATIONS

PhD degree or equivalent in Mathematics or any other relevant field. Fluent written and verbal communication skills in English are required.

EMPLOYMENT TERMS

The position is on a contract basis of 6 months starting on April 4th, 2022. The monthly gross salary is equal to € 2.289,16. Employee contributions will be deducted from this amount. The position does not include a 13th Salary bonus.

Interested candidates should submit the following items, in PDF format, via e-mail to Dr Emmanouil Milakis, emilakis@ucy.ac.cy by the 15th of July, 2021, 14:00 (Nicosia time):

- i. Cover letter
- ii. A detailed curriculum vitae in English (contact address and telephone number should be included)
- iii. Copies of transcripts of BSc/MSc/PhD degree(s)
- iv. Statement of Research

- v. The names and contact details of at least two University professors from whom references may be requested.

For more details and other information, interested individuals may contact Associate Professor Emmanouil Milakis by email at emilakis@ucy.ac.cy.

At least the best three candidates that satisfy the required qualifications, will be interviewed by a 3-member Committee.

Candidates shall be informed of the result of their application by the relevant entity.

The University of Cyprus shall collect and process your personal data according to the provisions of the General Regulation on Personal Data 2016/679 (EU).
