

DOE-INFN Summer Students Exchange Programme 2019 Edition

The US Department of Energy (DOE) and the Istituto Nazionale di Fisica Nucleare of Italy (INFN) announce the 2019 edition of the Summer Exchange Program dedicated to promote the exchange of students in science between the two countries.

INFN (<http://www.infn.it>) is one of the leading organizations worldwide promoting basic scientific research and has tight connections with DOE activities in many areas of interest: Particle Physics, Astroparticle Physics, Nuclear Physics, Theoretical Physics and Detector Physics.

We call for applications of US students willing to join a INFN research team in Italy for a two-month period between June 1st and October 31st, 2019. There are a total of 11 positions available, and students can choose among 18 different INFN sites (**Bari, Bologna, Cagliari, Catania, Ferrara, Frascati National Laboratory, Genova, Gran Sasso National Laboratory, Lecce, Legnaro National Laboratory, Milano, Padova, Pavia, Pisa, Roma, Roma Tor Vergata, South National Laboratory, Trieste**).

Applications can be submitted through the INFN online recruitment web page at the following address:

<https://reclutamento.infn.it/ReclutamentoOnline/>

choosing "Starting Fellowships" (Borse), **Call number:** 14945.

In the "Attachments" section you will find the description of student requirements, info on coverage of travel and living expenses, and the description of the available activities for each site.

Deadline for application is **April 10th, 2019** at 23:59 CEST

Please, spread out the information to your site as soon as possible.

Feel free to contact us for any further information.
